

A strong sexy stranger to share her secrets with! One long-ago night changed Dr Tania Pulaski's life forever. Now she depends on the frantic pace of emergency medicine to keep her focused when those secret nightmares resurface. But hiding in the confines of the hospital seemed impossible once Jesse Steele – a local hero more handsome than any living man ought to be – came into her ward. Though experience had taught Tania to keep men like Jesse at arm's length, his steamy kisses soon awakened the woman inside her. For the first time, Tania longed for someone special – but would the past ever release its grip on her?
