

This follow-up to the bestselling *Advanced Style* features more senior street style and inspiration from all over the globe. In this new edition Ari Seth Cohen shares his work from the past few years including some of the world's best-dressed older gentlemen. Similar in format to the original, with dozens of images from cities all over the world including: Los Angeles, London, Cape Town, Rome, Florence, Tokyo, San Diego, Palm Springs, Melbourne, Sydney, New York, Amsterdam, Edinburgh, Stockholm, and Geneva, the book will also feature 22 short essays (by the subjects of the book) distilling the wisdom and lifestyle secrets of some of Cohen's favorite *Advanced Style* ladies. Plus an introduction from the always fabulous and witty Simon Doonan makes for a celebration of smashing senior style! ...I must tell you that I am not really an old lady; just cleverly disguised as one. Art and color keep me young, keep me sane. Working as I do as an untutored outsider artist is my therapy, my medicine, my joy, and my purpose in life. Color surrounds me: I revel in it, splash it everywhere, gulp it with a spoon. I am immersed in art. I make it, collect it, it fills and defines my existence. Childish, shamanistic, wild and anarchic, it is as far outside the box as it is possible to be. Box?? There is no box! Be bold, be adventurous. Do profound things, dazzle yourself and the world. Don't wear beige: it might kill you. Contribute to society, and live large. Life is short, make every moment count. It is never too late to find your passion. -- Sue Kreitzman
