

Falling in love with a man wasn't supposed to happen to Detective John Stonebrook after two decades of marriage. Falling in love with a young man who is also an Angel is just the icing on the very strange cake that is Finn. But Finn makes John happy, and the detective gives Finn hope that there might be a happy ending yet for him and Jeremy. But the Beneath isn't content to allow the Angel and the detective to find their peace. When societal pressures and accusations at work threaten to drive them apart, and when the Angel Hunter pulls out his final ace in the hole, Finn and John find themselves fighting their greatest battle yet, against humans and Demons alike.
