His books have been published in fifty countries. Now, beginning with Captain Alatrisme, comes Perez-Reverte's most stunning creation to date: a riveting series featuring the adventures of an iconic hero. Captain Alatrisme is the story of a fictional seventeenth-century Spanish soldier who lives as a swordsman-for-hire in Madrid. Needing gold to pay off his debts, Alatrisme and another hired blade are paid to ambush two travelers, stage a robbery, and give the travelers a fright. "No blood," they are told. Then a mysterious stranger enters to clarify the job: he increases the pay, and tells Alatrisme that, instead, he must murder the two travelers. When the attack unfolds, Alatrisme realizes that these aren't ordinary travelers, and what happens next is only the first in a riveting series of twists and turns, with implications that will reverberate throughout the courts of Europe.
