

As a bestselling author and successful publisher of Strebtor Books, Zanes name is synonymous with popular fiction -- especially erotica. Her website, Eroticanoir.com, gets over a million hits a year from around the world, and her fans look forward to every one of her publishing ventures with eager anticipation. Chocolate Flava is the first in a series of collections of great erotic fiction edited by Zane, the reigning queen of erotica. Based on the Featured Erotica section of her website, Chocolate Flava gathers twenty-five sizzling tales from some of the most talented -- and dedicated -- writers of erotica working today. This is a his-and-her collection. There are stories specifically written with female readers in mind, and others written expressly for men. Among the contributors are names already familiar to readers of erotica, such as Reginald Harris, Robert Edison Sandiford, Jonathan Luckett and, of course, Zane -- as well as emerging voices, such as Geneva Barnes and Robert Scott Adams. What they all have in common is that they are great at what they do, and have been handpicked by Zane -- an editor who knows a hot story when she sees it. Zane wanted stories that took risks, that explored unique situations, that were creative beyond compare. She wanted to show that men and women can equally express themselves through the medium of erotic fiction. She wanted stories that would turn her on. This collection of selected sexy short stories will turn you on, too.
