

When Fin ran out on Marisol, leaving her naked on her couch, she swore she was done with him. There was no way she would forgive him, let alone see him again. But fate, or something else, had different ideas, and she ran into him again the very next day. Instead of hating his guts and wanting him to die, Marisol finds that she's still attracted to Fin. She just can't get him out of her system. Maybe if they had one night together? Just one night and she could get over him. But will that be enough?*
