

Book one of the New York Times and USA Today bestselling Shattered Hearts Series, a sexy second chance rock star romance. Sometimes, it takes more than love to mend a shattered heart. After eight years of being tossed from one foster home to another, Claire arrives at the home of Jackie Knight and her son, tattooed guitarist Chris Knight. Chris becomes Claire's first friend and first love. But Chris dreams of musical stardom and her need for a stable home put their love in jeopardy. Chris struggles with his plans for the future, entirely reluctant to leave Claire behind; until Claire does something that may break their love and the only home she comes to know "forever." Due to strong language and sexual situations, this book is not recommended for readers under the age of eighteen.
