

When the world faces a deadly threat from a lost weapon, Lachlan Fox, disillusioned ex-Navy operative, is forced back into action. Lachlan Fox has made a career out of being in the wrong place at the wrong time. As a shore assault specialist in an Australian Navy Clearance Diver Team, he came up against bad guys and even worse odds. Having been discharged from the Navy, Fox tries to enjoy the quiet life, but during a visit from his best friend Alister Gammaldi, Fox's life is thrown out of balance. On a diving trip off Christmas Island the pair recovers an obviously military but unidentifiable pod from the sea floor of the Indian Ocean-setting in motion a chain of events that will drag them both into the corrupt world of international politics and arms races. From East Timor and Christmas Island to Grozny, Washington to New York, Venice to Iran, Lachlan Fox is forced back into action to save the world from a deadly threat.
