

In a tumultuous world of population control, one illegal child has slipped through the cracks. Now, as a teenager, Benson Kelly has escaped certain death at the hands of the Department of Population Control, only to find himself the symbol of a rebellion, something he never intended. While trying to survive one day at a time, Benson seeks to unravel the tangled knot of secrets left behind when his father died, the key to which has something to do with his mother, Janice Kelly, recently escaped from the insane asylum. As the rebel group known as the Lifers continue to use brute force to send a message to the government, Bensons twin, Harrison Kelly, seeks to exploit a loophole that could be the key to freedom for his brother. All that's required is a simple act of murder. Meanwhile, Population Control's attack dog, a sadistic cyborg known as The Destroyer, closes in on Benson and his family. His directive: Kill them all. Faith, family and love will be pushed to the limits in the GRIPPING sequel to Slip.
