

Here, presented in one volume, are the four stories that comprise the "In Too Deep"™ Series, a seriously hot and provocative romance by Lucia Jordan, written in her signature style of high passion with searing depictions of sex and emotion. Rayne Smith has only been working for the Ellison Company for two weeks but already knows there is nothing about her job that she likes, she is a glorified maid. Her boss Clive Sherman, is invariably intent on annoying her. Consistently self absorbed and mean spirited, he's made it clear that he wants more from Rayne, and demands that she attend the masquerade ball given by company. He sees this as his perfect opportunity to move in on the new hire. At the ball, Rayne thwarts her boss continuously, but is soon overcome with boredom at the uneventful soiree. Just when she is getting ready to leave, a mysterious masked man enters. Even from across the room, he practically oozes confidence. Their eyes meet and they instantly hit it off. Having not even been formally introduced, he vaguely tells her to call him Crasher. The virile, god-like sex that follows is nothing like what Rayne has always known. But is it just chance that they've met, or is it more? Will the dominant nature of Crasher lay dormant, or surface once they're skin-to-skin? And who exactly is this mysterious man? This ebook contains very hot and explicit descriptions of romantic activity. Only mature readers should download this book.
