

Lighting Spaces No. 2 celebrates the beauty, utility, and technology that professional lighting design brings to architecture, interior design, and landscape architecture. More than 500 beautifully reproduced photographs and illuminating text reveal the keys to creating exceptional luminous environments. Dynamic, innovative projects from thirty of the world's top lighting designers and consultants illustrate how high-quality, thoughtful design can be the visual cornerstone of any space. Hotels, restaurants, retail, corporate, public, residential, exteriors, houses of worship, performing arts facilities, museums, landscapes—these exciting projects make Lighting Spaces No. 2 a must-have for anyone seeking imaginative solutions to architectural lighting problems.
