

Plowing into Bambi and totaling my SUV wasn't the way I envisioned starting my vacation. Then again, neither was being rescued by two gorgeous men. Nick Masters and Dylan Thomas swooped in to save me from the wreck. They weren't just knights in a shining truck, but Dominants so potent the submissive hidden inside me clawed to kneel at their feet. To my surprise, they offered to teach me the joys of submission. I shoved down my fears and agreed to spend one glorious week of pleasure under their hand, at the center of their raw passion. With each command and touch, they bared my soul and stole my heart. With them, I felt like a beautiful "if kinky" Cinderella. But all too soon, the clock struck midnight, and I fled! Returning to my lackluster life, I was determined to somehow survive without the masters of my desire. I never imagined they would travel a few hundred miles to hunt me down. Could I say yes when they offered to bestow something on me far more beautiful than a glass slipper?
