Get students to think like an Economist using the latest policy and data while incorporating global issues. Micro economics, Twelfth Edition builds on the foundation of the previous edition and retains a thorough and careful presentation of the principles of economics. Micro economics emphasizes real-world applications, the development of critical thinking skills, diagrams renowned for pedagogy and clarity, and path-breaking technology. Each chapter begins with one of today's key issues, and additional issues appear throughout the chapter to show the real-world applications of the theory being discussed. When the chapter concludes, students read between the lines to think critically about a news article relating to the issue, demonstrating how thinking like an economist can bring a clearer perspective to and deeper understanding of today's events. Students will begin to think about issues the way real economists do and learn how to explore difficult policy problems to make more informed decisions in their own economic lives. Personalize learning with MyEconLab MyEconLab is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. 0134004655/9780134004686 Microeconomics Plus MyEconLab with Pearson eText -- Access Card Package, 12/e Package consists of 0133872297/9780133872293 Microeconomics, 12/e 0133917606// 9780133917604 MyEconLab with Pearson eText -- Access Card -- for Microeconomics, 12/e
