

The most authoritative college textbook available on human sexuality, this new edition of Crooks and Baur's OUR SEXUALITY has been thoroughly and carefully updated to reflect the most current research literature. Sensitive, comprehensive, and candid scholars and teachers, the authors continue to engage students with the most exciting, emerging research in the field. The authors have further refined their focus on strengthening healthy communication among partners, as well as their overall coverage on maintaining a responsible and healthy sexual relationship. They have also given even greater attention to diversity and inclusiveness. Other highlights include the very latest research, including a new feature called Spotlight on Research; new stories about the experiences of real people from the Authors Files; and a writing style that is warm, direct, and non-judgmental. As always, thorough coverage of all major topics is incorporated into every section (including sexual health). The result is a timely new edition that retains and builds upon all of the strengths that have made it the best-selling book in the market.

Shelley: Poetical Works, Lord Jim, Lifes Little Ironies: A Few Crusted Characters (A set of tales with some colloquial sketches entitled: A Few Crusted Characters), Convergence: Infinite Earths Book Two, Loving Mr. Wright (Three Rivers Book 2), The Best Medicine: A Strictly Business Novel,
