

Neither kink nor curse can stop a woman with a mission. Cecily Harrowsmith, secret agent extraordinaire, is a woman on a mission. When the remote Indian kingdom of Rajasthan refused to remit its taxes to the Empire, Her Majesty imposed an embargo. Deprived of the energy-rich mineral viridium, essential for modern technology and development, Rajasthan was expected to quickly give in and resume its payments. Yet after three years, the rebellious principality still has not knuckled under. Cecily undertakes the difficult journey to the rugged, arid land of the Raj puts to determine just how it has managed to survive, and if possible to convince the country to return to the Empires embrace. Instead, shes taken captive by a brigand who turns out to be the rulers half-brother Pratan and delivered into the hands of the sexy but sadistic Rajah Amir, who expertly mingles torture and delight in his interrogation of the voluptuous interloper. Cursed before birth by Amirs jealous mother, Pratan changes to a ravening wolf whenever the moon is full. Cecily uncovers the counter-spell that can reverse the effects of the former queens hex and tries to trade that information for her freedom. Drawn to the fierce wolf-man and sympathising with his suffering, she volunteers to serve as the sacrifice required by the ritualâ€™ offering her body to the beast. In return, the Rajah reveal Rajasthans amazing secret source of energy. In the face of almost impossible odds, Cecily has accomplished the task entrusted to her by the Empire. But can she really bear to leave the virile half-brothers and their colourful land behind and return to constraints of her life in England?
