

Learn to bake with Britain's favourite women's fiction author, Marian Keyes - author of *Watermelon* and *Anybody Out There* - in her startlingly honest cook-book *Saved by Cake*. *Saved by Cake* gives an extremely honest account of Marian Keyes' recent battle with depression, and how baking has helped her. A complete novice in the kitchen, Marian decided to bake a cake for a friend and that was it - she realized that baking was what she needed to do in order to get her through each day. And so she baked, and she wrote her recipes down, and little by little the depression started to lift, along with her sponges... With chapters on cupcakes, cheesecakes, meringues and macaroons, chocolate cakes, fruit cakes and favourite classics, Marian's recipes are aimed firmly at beginner bakers, offering hints and tips to help along the way. Never patronizing, always honest and witty, accessible and full of fun, the bakes and cakes that Marian serves up in this cookbook will put a smile on your face and make you happy. From her Consistently Reliable Cupcakes and Very Chocolatey Macaroons, to the ease of her Fridge-set Honeycomb Cheesecake, you will want to have a go at making all of Marian's recipes.
