

Bart Simpson returns for another series of chaotic adventures...from The Supercat of Springfield, as Snowball, the Simpsons cat, is transformed into Supercat - a fearless feline crime-fighter, to 24 Hours in the Life of Ralph Wiggum, in which we are dragged screaming through a day with the Police Chiefs hapless son. Plus, in See You Later Alligator the results of Barts unique science experiment - which sees him flushing baby alligators down the loo in the hope they will be mutated by the radioactive pollution from Mr Burns factory - come back to bite him squarely on the shorts! And much, much more...all from the creators of the hit TV show!
