

For lovers of the traditional country house murder mystery, this James Anderson omnibus includes favourites: The Affair Of The Bloodstained Egg Cosy - The theft of the diamond necklace and the antique pistols might all be explained, but the body in the lake - that really was a puzzle. For Inspector Wilkins, it was going to take some intricate sleuthing to uncover who killed whom and why. The Affair Of The Mutilated Mink - An impromptu Hollywood party at Alderley country estate proves too much for the familys butler Merryweather. And thats before the murder in the middle of the night...The Affair Of The Thirty-Nine Cufflinks - When Lord Burford reluctantly agrees to host his relatives at Alderley, he soon finds out that family can be murder. It isnt long before Inspector Wilkins has to be called in...yet again.
