

How to read palms, and use what you learn in everyday life. Divination by means of examining the hands (not just the palms, despite the popular name) has been around for more than 5,000 years, yet it continues to be one of the most popular tools of prophecy, perhaps because it is so simple, requiring no equipment beyond your hands. With easy-to-follow instructions and clear illustrations, The Art of Palmistry is a perfect introduction for beginners and a source of inspiration for seasoned lovers of palmistry. 50 photographs
