

Admired by J. R. R. Tolkien and C. S. Lewis, and considered by W. H. Auden to be the only English children's book in the same class as the Alice books, *The Princess and the Goblin* is a classic example of 19th-century children's literary fairy tales. This is an ageless story of courage and loyalty, beauty and honor, mystery and divinity, and above all, the conflict of good and evil. The discovery of a secret stairway running to the top of the castle leads Princess Irene to a revelation even more weighty than the fiendish plans of the goblin community that miner boy Curdie has discovered. Will the Princess and Curdie understand the significance of what they have found, or will Harelip and the goblins successfully execute their evil plan? Recommended for children aged 4 to 94.

A Cuban Boxers Journey: Guillermo Rigondeaux, from Castros Traitor to American Champion (Kindle Single), Come Together and Worship, Love Beyond Dreams (Book 6 of Mornas Legacy Series), Major Works (Oxford Worlds Classics), Cooking the Mexican Way (Easy Menu Ethnic Cookbooks), The Cosmic Egg Timer, Pharmacology for Nurses: A Pathophysiological Approach Value Pack (includes Workbook for Pharmacology for Nurses: A Pathophysiological Approach & Medical Dosage Calculations) (2nd Edition), Old Soviet Childrens Folk Tales,
