

Now in its fully revised second edition, the Truth About Breast Cancer remains the most comprehensive book ever published on the subject of breast cancer prevention. The author does a fabulous job of explaining the lesser known risks and providing a realistic action plan that women can put to use, immediately. The book provides a special chapter devoted to the controversial reliance upon and promotion of mammography, including suggestions for safer and effective alternatives. A bonus in this book are the truly healthful and delicious recipes and menus created in collaboration with French chef Jean-Marc Fullsack, the culinary genius behind famed cardiologist-author, Dean Ornish. An extensive resource section opens the reader up to numerous organizations for support and merchants for acquiring healthful foods, products, and services. This is truly an exceptional book among the many titles on the subject.

Snowed In With The Tycoon, Time Out Amsterdam 4 (Time Out Amsterdam Guide), Maid in Waiting (Forsyte Chronicles, No.7; End of the Chapter, Book 1), Blood Alley, Wanted by Her Lost Love (Mills & Boon Desire) (Pregnancy & Passion, Book 2), What to see in Normandy: A guide book to the major museums and attractions, Tolstoy, Rasputin, Others, and Me: The Best of Teffi (New York Review Books Classics), Space Mountain: A Graphic Novel (Disney Original Graphic Novel), Tales of Terror and Mystery,
