

The first published work of fiction by legendary author and poet Gertrude Stein, *Three Lives* is a collection of two short stories and a novella focusing on the bleak existence that faced immigrant and minority women in turn-of-the-century America. Each impoverished woman must labor as a domestic worker to survive, and all three protagonists have their own tales of hardship. *The Good Anna* tells the story of a young German servant who must decide between loyalty to her employer and love. In *The Gentle Lena*, another German servant girl marries the wrong man, and finds herself trapped as a wife and mother. And the introspective *Melanctha* examines the tragic life of a mulatto woman and those she loved. *Pocket Books Enriched Classics* present the great works of world literature enriched for the contemporary reader. This edition of *Three Lives* has been prepared by Brenda Wineapple, professor of Modern Literary and Historical Studies at Union College. It includes her introduction, a selection of critical excerpts, and suggestions for further reading, as well as a unique visual essay of period illustrations and photographs.
