

[Menage and More: Erotic Paranormal Consensual BDSM Menage a Trois Romance, M/F/M, werewolves, paddling, food play, sex toys, HEA] The mysterious werewolf entity from Collared by Wolves is called on again when lovely submissive shifter Evie Pierce runs out on her alpha werewolf Dom, tall and hunky Stefan Russell. A handsome human, Jace Talbot, a visitor to the area, who doesn't know that werewolves exist, rescues her from malicious rogues who attack her in the forest. As she recovers they begin to fall in love, but Evie has a dilemma. She is torn between Jace and his sensual, romantic ways and her old BDSM life with Stefan, and all the excitement that brings. A confrontation between the two men leads to a stark realization, horror, and betrayal. This changes all their lives as they struggle to understand what has happened, and then a natural disaster means the two men have to work together. But what will happen once it's all over? Whom will she choose? Human or werewolf? Gentle or rough? ** A Siren Erotic Romance
