

A magical romance with an Irish time travel twist that will capture your heart. Everyone in Ophir Creek, Idaho knows the wild legend of Corvine ODannan, a mysterious Irish woman with fairy powers who came to town during the gold rush to find her fortune, only to be betrayed by her lover and meet a tragic end. Fast forward to the twenty-first century, and her descendent Rose doesn't have time for such nonsense! After a crash-and-burn marriage, she's returned to her hometown to renovate her father's gold-panning business and to start over. But everything changes on her 30th birthday when her friend talks her into doing a love spell. Unbeknownst to them, they conjure the spirit of the very same man who once tormented Rose's ancestor. Why? Because Rose was Corvine ODannan in a past life--and her really bad habit of attracting Mr. Wrong still haunts her, and now jeopardizes her very life. What Rose doesn't realize is that along with this dark curse comes an extraordinary blessing--in the form of a soul guardian named Chance Murphy who's been protecting her for centuries. But this time around, the evil spirit that plagues Rose has stolen Chance's body. So the only way that Chance can reach her is late at night in her dreams, when he appears as a magical raven who escorts her to an enchanted island off the coast of Ireland. There, Chance becomes a man again, and he shows Rose how to heal her past through the fairies' special brand of magic. But will Rose finally be able to forge a new future and make the man of her dreams become real? Only if she can once again believe...
