

Protect her... Those were the first words that rushed into Lance Careys mind the instant he spotted Nevetta lying in the pounding rain. All he wanted to do was wrap the stunning caramel beauty up in his arms and take care of her forever. Despite everyones protests not to get too close; however, there were certain obstacles keeping them apart. Need him... Nevetta Yardley doesnt recall a thing from her past and sadly that includes her own name. All she does know is that gorgeous blue-eyed Doctor Lance Carey hasnt left her side since he found her wet and unconscious in the alley. Her heart screams soul mate, but her lack of a past is the invisible thread keeping them apart, but when her memory shockingly resurfaces. Will it truly be the thing to keep them from a perfect future together? Or can she prove to Lance what they have only comes once in a life time.
