

Desire can be deadly. Legal investigator Kristina Andersen has found the man she's been looking for: sexy, enigmatic pharmaceuticals billionaire Landon Tatum. Problem is, they're holed up in a safe house because someone else has been looking for him to. Someone desperate to get to him, no matter the collateral damage. It all centers on a pharmaceutical that controls the deepest desires of whoever ingests it. A substance so powerful, it turns people into slaves. Somebody wants that power, and Landon is the only one who can give it. Now she has to unravel the tangled situation in front of her before it's too late. All while keeping the emergence of her own desires firmly in check...as well as his.
