

A real-life game-spotting expedition through the African Savannah. Learn the Zulu names for common savannah fauna, and find the animals camouflaged in photographs of Kruger National Park, South Africa. When you go on safari in Africa, you'll find you spend much of your time scanning the trees and tall grass, trying to see what may be hiding there. This book gives you a chance to try it from your living room. The Zulu names and pronunciations will give you a window into the lovely culture of South Africa, and a chance to know a little more about what your guides are saying if you have the chance to visit.
